

Dear Denise

What do planets like to read?
Comet books!

Q: Why don't aliens eat clowns?
A: Because they taste funny!

What kinds of music do planets sing? Neptunes

Q: How does the Man in the Moon cut his hair?
A: *Eclipse it.*

Why are aliens messy tea-drinkers?
With flying saucers, it's hard not to spill it

What kinds of fish live in space? Starfish

I was up all night wondering where the Sun had gone... then it dawned on me.

What time do astronauts eat?
At launch time.

Q: Why is the Moon bald?
A: *He has no 'air'*

How do you get a baby astronaut to sleep? You rocket

I'm reading a book about anti-gravity.....it's impossible to put down!

What kinds of plates do they use in outer space? Flying saucers

How do you ride a horse in space? Use a saddle-lite

What do you call an alien with three eyes?
An aliiien!

Why is an astronaut like a football player? They both want touchdowns!

Why did the sun go to school?
To get brighter!

I would go to space, but the cost is astronomical!

What do you call a spaceship with a faulty air-conditioning unit?
A frying saucer

Q: Why couldn't the astronaut book a room on the moon?
A: *Because it was full.*

What is a spaceman's favorite chocolate?
A *marsbar!*

What hot drink do aliens enjoy? gravi-tea

What was the first animal into space? The cow that jumped over the moon...

Why does a moon rock taste better than an Earth rock?
It's a little meteor.

Q: How is the moon like a dollar?
A: *It has four quarters.*

What do you call a crazy spaceman?
An astro-nut

♥ Jean + Larry
