It's not exactly a practical nest, my wife insisted on hiring an architect.

Cleaning the house Fascinates everyone In my family - They can sit and Watch me for hours!!!

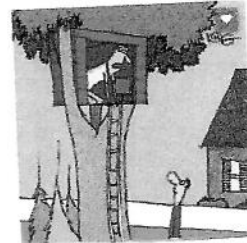

Maybe you should call Grandma for technical support.

Both of us can't look Good at the same time ... it's me or the house.

"In the house gettin' control of herself."

I built this tree house for my kids. But it's so private, I've decided to use it for my home office.

One minute your kids are babies, and the next you're sleeping in until 9:30 AM because they have the iPad and can reach the cereal.

Did a bunch of spring cleaning and now I'm the proud new owner of another box of random cards.

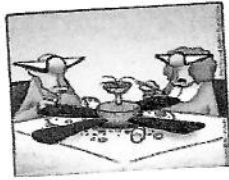

You and I know it's our home, but our 'smart home' doesn't.

Instead of cleaning the house, I just turn off the lights

My Doctor asked if any members of my family suffered from insanity... I said nope, we all seem to enjoy it!!

Currently helping my son search for his chocolate that I ate last night.

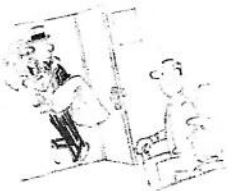

What else did you fix today?

GOOD MOMS have sticky floors MESSY KITCHENS laundry piles, DIRTY OVENS, and happy kids

"But I thought you told me you weren't gonna ask me to clean up my room again."

Mom, Dad, we've decided to save money and move in with you.
