

Dear Denise

It's always
TEA TIME
-THE MAD HATTER

I love green tea too,
But that's Susie's paint water

"... one nation, under guard, with liver,
tea, and just this for all."

Have a cup of positivitea.

If
TEA
Can't fix it,
It is a
SERIOUS
PROBLEM

How does a Jewish dad prepare his wife's tea?
Hebrews it

What do teapots wear to a
tea party? A T-shirt.

Mother's Day thoughts:

My nickname is Mom. But my full name is "Mom Mom Mom Mom Mom."

"Sleep at this point is just a concept, something I'm looking forward to investigating in the future."

Nothing is really lost until mom can't find it!

There is a legend that if you take a shower and scream "Mom" three times, a nice lady appears with the towel you forgot.

You know you're a mom when you understand why Mama Bear's porridge was too cold.

"I always remind my kids: Having a weird mom builds character."

Silence is golden. Unless you have kids Then silence is suspicious.

At my age I'm no longer a snack; I'm a Happy Meal. I come with toys and kids.

When your mom's voice is so loud, even your neighbors brush their teeth and get dressed.

A police recruit was asked during the exam, "What would you do if you had to arrest your own mother?"
He said, "Call for backup."

The loving dad always greeted his
wife each day with a "Hello
Brew-TEA-Full!"

Spit up is my new favorite accessory; no outfit is complete without it.

"Be very quiet, Jeffy. Grandma's tea
has to sleep for three minutes."

What does a dad teapot say to his wife?
O, darjeering!
