

Dear Denise

How do you motivate artists? Easel-y.

Q: What did the artist say to the dentist?  
A: Malisse hurt

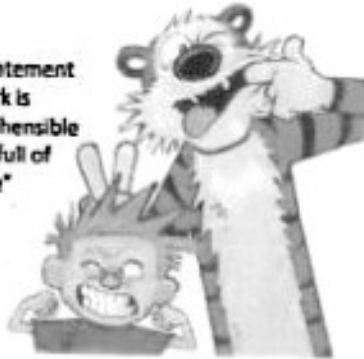

I know everyone loves art but I'm really drawn to it!

What do angry painters do? They make a scene.

What shoe brand do artists love? Sketchers.

What did the art robbers say who got arrested in the middle of a heist?  
We locked the Monet to buy Degas to make the VanGogh.

"As my artist's statement explains, my work is utterly incomprehensible and is therefore full of deep significance"  
-Calvin

I don't trust artists.  
They're really sketchy.

Did you see the display of still-life art? It was not at all moving.

What would you call a painting made by a cat? A paw-trait.

I was rejected from my dream art school because I used the wrong pencil.  
It wasn't 2B.

What is an artist's favorite swimming technique? The brushstroke.

Why are artists always colorful people? Because they know how to draw on their emotions.

You Must Be An Artist If...

- The highlights in your hair are from your palette and not Clairol.
- You talk about going to a show where the pictures don't move.
- You can't find a nice outfit for your date because everything has paint smears on.
- You carry pencils instead of pens.
- You buy expensive brushes, and have nothing to do your hair with.

It's easy to understand modern art.  
If it hangs on a wall, it's a painting. If you can walk around it, it's a sculpture.

How many visitors to an art gallery does it take to change a light bulb?  
Two. One to do it and one to say, "Huh! My 4-year-old could've done that!"

Being great at canvassing people, the portrait artist took a job as a census taker.

Why did the yogurt go to the art exhibition?  
Because it was cultured.
