

Dear Denise

The best wood in most golfer's bags is the pencil.

Why did Tarzan spend so much time at the golf course?
He was perfecting his swing.

What are the primary components of a golfer's diet?
A lot of greens and water.

"Golf's pretty easy. You just hit the ball, then lean to the side and say 'FORE!'"

I'm not really that bad at putting, I just can't catch a break.

In primitive society, when native tribes beat the ground with clubs and yelled, it was called witchcraft; today, in civilized society, it is called golf.

I'm hitting the woods just great, but I'm having a terrible time getting out of them.

I shot one under at golf today.
One under a tree, one under a bush and one under the water.

Why does the golf pro tell you to keep your head down during lessons?
So you can't see them laughing.

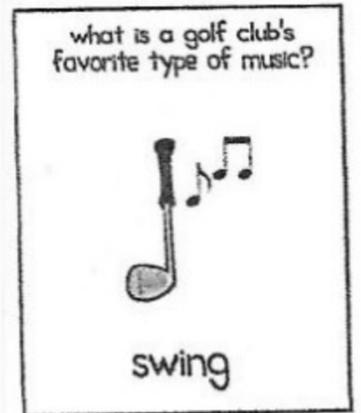

If you think it's hard to meet new people, pick up the wrong golf ball on the course sometime.

Why do golfers always carry a spare pair of trousers with them?
In case they get a hole in one.

Golf is like birthdays...
Much more fun if you don't keep count!

To some golfers, the greatest handicap is the ability to add correctly.

Golfer: "You've got to be the worst caddy in the world."
Caddy: "I don't think so sir. That would be too much of a coincidence."

Fairway: An unfamiliar tract of closely mowed grass running from the tee to the green. Your ball is usually found immediately to the left or right of it

What do golfers do on their days off?
Putter around.

What is a golfer's favorite lunch?... A ham sand-wedge.

If you golf on election day, make sure to cast an absent-tee-ballot.

I play in the low 80's. If it's any hotter than that, I won't play.
