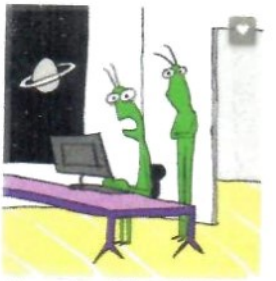
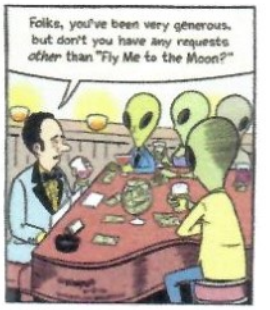
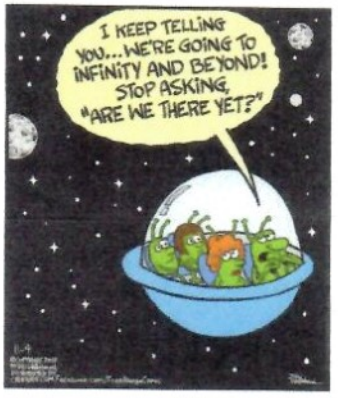
Dear Denise



"I've navigated this whole galaxy, but I can't navigate this website."



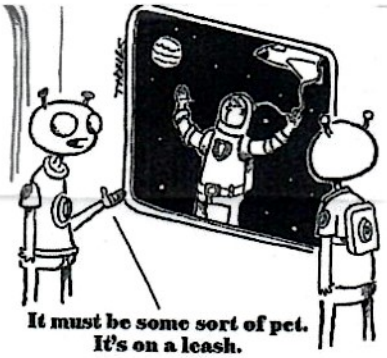


Q: What is an astronauts favorite key on the keyboard?
A: The space bar!

Why is Saturn so rich?
Because it has lots of rings!

Q: Why did the cow go to outer space?
A: To visit the milky way.

How do astronauts add more protein to their diets? They make it meteor.



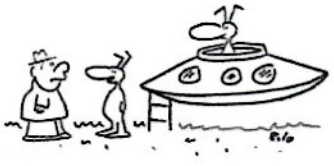
It must be some sort of pet. It's on a leash.

Do you know why Mickey Mouse bought a telescope?
Because he wanted to see Pluto.

Neil is cool

Q: what do you call a tick on the moon?
A: A luna-tick

Q: What happened to the astronaut who stepped on chewing gum?
A: *He got stuck in Orbit!*



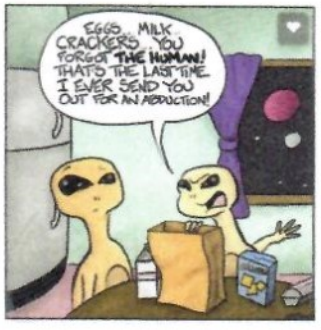
"We came as soon as we got your message — Take us to Maxwell Smart."

Those who study the moon are optimists. They look at the bright side.

What did the astronaut say when he crashed into the moon?
"I Apollo-gize."

Einstein developed a theory about space, and about time too!

Why did the astronaut retire?
He got spaced out!



Q: What did Mars say to Saturn?
A: Give me a ring sometime.
