(When it's a grey-hound!)

NEGATIVE SPACE

Why did the paintbrush see a doctor?
Answer: It had a stroke!

What did one paint say to the other when they got in an argument?
Don't use that tone with me!

Today I thought of a color that doesn't exist...
but then I realized it was just a pigment of my imagination.

The Earth without art is...
Just eh!

Gramps, I really like these black and white pictures. Did you Photoshop them?

What did the color say to the other color?
I love hue.

What did blue say to orange? I never say no to a complement.

What do you call someone hanging on a wall? Art.

What is it called when someone mislabels a color? False ac-hue-sation.

Why did the crayon cry?
He was feeling blue.
