

Dear Denise

Every snow often I like to go skiing.

Are you sure you're ready to get back on the ice?

Alpine for the slopes once I am back home.

What are the four seasons called in New England?
Almost winter, Winter, Still winter, and 3 months of bad sledding.

I get a kick out of cross-country skiing.

I really *Apres-ski-ate* a nice relaxing drink after a long day out on the slopes.

What's a locksmith's favorite winter sport? Skiing!

Being a novice skater, Kim could only do a "figure 11".

If you think riding a sled down an ice track is easy
You are delusional.

Went on a first date to a skating rink but got asked to leave.
Apparently, it's not the right place to break the ice.

Yesterday while tobogganing, a stranger said : "Cool hat!". And I replied, " No actually it's quite warm!"

Since hockey has been cancelled, no one has seen the Zamboni Driver

But I'm sure he will resurface eventually

Q: Why did the figure skater gain so much weight?

A: She 8 a lot.

You can get a sleigh online for \$200, or \$100 if you are willing toboggan.

I wanted to see what the snow was like after last night's snowfall, but I was so hungry I decided to avalanche first.

Guy running the ski-lift said it would be \$50 to get to the top of the mountain...

I said "that's a bit steep."
He said "exactly."

Why did the hipster drown?
He went ice skating before it was cool.

A book never written: "Winter Olympic Sports" by Bob Sled.

Q: Why didn't the figure skater bring his wallet to the skating rink?
A: It was free skating that day.

Why shouldn't you tell jokes while ice skating?
Because the ice might crack up!

I'm taking it ice and easy since it's my first time skiing.

♥ Jean
